

※農業振興地域外の農地は、地域計画から除外しています。

- 
- The map shows a complex distribution of agricultural land parcels. A pink line delineates the 'Agricultural Development Area'. Within this area, various colors represent different land statuses: red for land to be reviewed, purple for Category 1 candidates, dark blue for Category 2 candidates, green for leased land, and light blue for land owned by farmers. Other areas outside the pink line are marked for future updates.
